Dear [redacted]

Contract AF33(600)-40274  
Task Order 6, Amendment No. 8

25X1A

Enclosed herewith in duplicate is Amendment No. 8  
to Task Order 6 duly executed by me.

I should like to alert you at this time to the fact  
that the expiration date set forth in the amendment is  
close at hand, yet the project will almost certainly  
continue beyond that date. We therefore wish to seek  
an additional extension in time with additional funds.  
We have not yet compiled figures for this extension  
but will do so and let you know within the next week  
or two.

Very truly yours,

25X1A
